During the last twelve months, the station employment unit engaged in the following menu option initiatives:

Menu Option Initiative	Description
Establishment of an intern program designed to assist members of the community to acquire skills needed for broadcast employment.	Binnie Media has set up an internship/job shadow program at the radio stations in the unit. The program is designed to provide students with an opportunity to learn about broadcasting. Students get hands on experience in marketing, promotions, engineering, sales, and support. In 2018 we hosted a Job Shadow with students from Pembroke Academy.
Participation in Job Fairs by station personnel who have substantial responsibility in the making of hiring decisions.	Binnie Media participated in 4 Virtual Job Fairs hosted by the New Hampshire Association of Broadcasters in December 2017; March 2018; June 2018; and September 2018. Information about career opportunities at Binnie Media, as well as specific job requirements and contact information to apply was included. All Binnie Media Radio Stations promoted the Job Fairs.
Participation in scholarship programs for broadcast careers.	Binnie Media participated in the 2018 New Hampshire Association of Broadcasters Student Scholarship program with a financial contribution; by running commercials on all stations to inform students of the availability of the program; and by participating in the judging of entries.
Community Outreach and Education	Binnie Media regularly hosts community groups to tour our facilities and learn about our industry. We have hosted Scouts, Rotary groups, as well as hosted Chamber of Commerce After Hours events in several facilities for the business community.
